

TAVERHAM HALL

Preparatory School

Headmaster's Photography Competition Summer 2010

After the success of last year's event, there will be an opportunity, over the summer holiday, for pupils to practise their photographic skills and those lucky enough to be judged winners will see their efforts framed and mounted and on show in the school. Read on!

This year there will be three categories:

1. **'Summer in the City'**
2. **'Norfolk nature in the summer'**
3. **'Abroad'**

Please stipulate in which category the photograph should be judged.

Photographs will be judged in **two age groups**:

Senior Competition – Years 6, 7, 8

Junior Competition - Years 3, 4, & 5

The photograph you enter must have been taken by you.

Photographs should be the standard 6 x 4 size (15cm x 10 cm) and can be either portrait or landscape format.

Any subject matter can be entered: landscape, still life, portrait, abstract but it should be entered into one of the three categories above.

Photographs can be colour or black and white.

Your name, class and House, along with the title of the photograph must be clearly written on the back of the photograph.

Only one entry per person

Entries to be submitted to Mr Crossley on or before Monday September 13th 2009.

Judging will take place over the weekend of the 18th & 19th September.

The winner in each age group will have their photograph enlarged, mounted and framed.

First, second and third placed entries will also earn points towards the House Competition.

There will be a special 'Open' competition for parents with no category required but a caption for the photo is required.
