Music Scholarship Assessments

Wednesday 9th November 2011

'Their spiritual and cultural development is enhanced by inspirational experiences in art and music.' ISI inspection report November 2010.

At Taverham Hall School we are proud of our established tradition of musical excellence boasting a 100% pass rate at ABRSM examinations. Over the past decade Music Scholarships have been consistently awarded by Senior Schools to a number of our pupils. In addition, pupils have been selected for the National Youth Choir and Taverham Hall's Chapel Choir were finalists in the 2010 and 2011 Barnardo's National Choir competition at the Royal Festival Hall in London whilst our African drum ensembles were awarded 'Outstanding' at the 2008 Norfolk Music Festival. Currently over 100 children receive extra-curricular music tuition per week whilst 33 Musical Assemblies took place in the academic year 2010/2011.

To further enhance our established musical excellence we are looking to recruit promising, enthusiastic girls and boys who have aspirations to excel at music.

The Music Department, led by an experienced Director of Music, is enhanced by highly qualified and experienced visiting instrumental specialists who provide tuition on a very wide range of instruments. All tuition takes place in the school's purpose built and well equipped music block.

To assist the development of our young musicians:

- music is taught two lessons per week with additional individual lessons available
- pupils are encouraged to use ICT to enhance their study of music and notate their own compositions using Sibelius software
- performance opportunities in a variety of ensembles are offered during school time; Jazz Band, Flute Choir, Oboe Consort, Orchestra, String Ensemble, Guitar Ensembles, African Drum Ensembles,
- Percussion Club, Recorder Group, Pre-Prep, Junior and Chapel and Rock Choirs
- Pupils are entered into national and regional music festivals each academic year to extend their performing experience at a high level
- the Music Department provides a full extra-curricular music programme to cater for all needs, including extra help with music theory and aural skills
