Sports Scholarship Assessments

Wednesday 9th November 2011

'many pupils succeed at sports and other activities at county, national or international level, as well as in school, reflecting the very high standard of achievement in these' Independent Schools Inspectorate November 2010.

At Taverham Hall School we are proud of the sports teams and athletes we produce and over the past decade Sports Scholarships have been consistently awarded by Senior Schools to a number of our pupils. In addition, pupils have represented their county (and at times England) and taken part in regional and national competitions.

To further enhance our established sporting excellence we are looking to recruit promising, enthusiastic girls and boys who have aspirations to play and perform at county, regional and even national level.

Sport is taught three afternoons a week coupled with additional PE and swimming lessons and pupils play in weekly competitive sporting fixtures – last year a total of 235 competitive sporting fixtures took place including entries into regional and national tournaments.

To assist the development of our young athletes the school:

- has a top team of coaches who work full time at the school with specific qualifications and experience which ranges from ex university, county and national league players in cricket, netball, hockey, rugby, swimming, golf and athletics. Staff have also represented Great Britain and Scotland and several are also involved with coaching at local sports clubs at weekends
- offers excellent on-site facilities including a superb sports hall, an indoor swimming pool, tennis & netball courts, sports fields for rugby, cricket, rounders, football and athletics as well as the availability of an astro-turf pitch for hockey
- has formed partnerships with specialists from other organisations such as Community Sports Foundation (Norwich City Football Club), ESKSA (Karate), EA Tennis (Easton College Tennis Academy), Red Mist Cricket (Cricket), IDTA/ NDTA (international/national dance teachers association) and Weston Park Equestrian Centre
- has a superb sports hall which is also used as the Centre of Excellence for Norfolk Youth Cricket as well as the home venue for the National Premier League Thoroughbreds Netball team's matches
