LANGUAGES

We focus on developing pupils' confidence and ability to use language independently and spontaneously.

Multiculturalism is a key feature of our modern world and we celebrate the European Day of Languages every year in September whilst other languages such as Spanish, and Japanese have been offered through hobbies in our extra-curricular programme. Annual trips abroad (e.g. France, Italy, ski trip to Switzerland) offer opportunities for pupils to practise their linguistic skills in real life situations.

French is a core subject at Taverham Hall School. It is introduced in Year 2 before becoming fully included in the Prep School curriculum all the way to Year 8.

Latin is offered to all pupils from Year 6 onwards and helps develop a deeper understanding of grammar and raises attainment in other subjects. Pupils develop transferable skills in reasoning and application of logic.

National Junior Language Challenge Competition results

This is a national competition and is open to all children aged up to 11 years old in the UK.

Four pupils competed in the semi-finals in September 2010 having learned Japanese over the summer holiday period. This one pupil competed in the grand final which took place in London in October 2010 and finished 15th out of the 40 finalists having had to learn Chichewa in less than a month.
